Fiduciary

If a veteran becomes temporarily or permanently unable to manage his or her personal affairs or finances, the Arizona Department of Veterans Services may be able to petition the court to serve on behalf of the veteran. The Arizona Department of Veteran Services Fiduciary Division provides fiduciary services to veterans, spouse and minor children of veterans in the most efficient and cost effective manner possible. The Division charges minimum fees for its fiduciary services that are less than alternative fiduciaries may charge. All fees are approved by the court and are payable out of the estate of the veteran.

Fiduciaries are not caregivers. A caregiver is someone who provides personal care such as assisting in bathing, dressing, personal hygiene and doing household chores and shopping. Fiduciaries do not provide these services but can arrange for them when needed.

A possible alternative to the Arizona Department of Veteran Services Fiduciary Division is a public fiduciary that is appointed by each county's board of supervisors. The public fiduciary may be appointed

by the court to serve as guardian, conservator or personal representative of an estate when there is no one else willing or capable of serving.

The Arizona Department of Veteran Services Fiduciary Division is divided into three sections, Human services, Accounting and Assets. Human services staff primarily possess experience in social services. Employees in assets and accounting possess a background's in finance and or asset management. In addition ADVS employs an Intake Investigator, clerical and medical billing staff.
