

VETERAN LEGISLATION

1 April 2016

In each chamber of Congress, four forms of legislative measures may be introduced or submitted, and acted upon. These include bills, joint resolutions, concurrent resolutions, and simple resolutions. Resolutions are not laws but rather the statements of intent or declarations that affect the operations of Congress

- Joint resolutions are legislative measure that requires approval by the Senate and the House and is presented to the President for his approval or disapproval, in exactly the same case as a bill.
- Concurrent resolutions are legislative measures adopted by both houses of a bicameral legislature that lacks the force of law (is non-binding) and does not require the approval of the chief executive (president). Concurrent resolutions are typically adopted to regulate the internal affairs of the legislature that adopted it, or for other purposes where authority of law is not necessary-such as awards or recognitions
- Simple resolutions are used to delegate official internal Congressional business.

In total 7,619 bills containing 4,427 amendments and 1353 resolutions have been introduced in the United States Congress of which 4,422 bills are under Committee consideration and 1,018 are under Floor consideration. Of those, on average only about 4% will become law. Those outstanding must be enacted before the end of the 2015-2017 session of the 114th Congress sometime before 3 JAN 2017. To date 988 bills have been passed by one chamber, 193 bills have been passed by both chambers of which 45 are

resolving differences, 146 have been sent to the president who to date has vetoed 4 non-veteran bills (not counting the NDAA 2016 initial veto) and signed 139 into law. Go to <https://www.congress.gov/legislation?q=%7B%22congress%22%3A%22114%22%2C%22bill-status%22%3A%22law%22%7D> to see the list. The following 11 were veteran related:

- Border Jobs for Veterans Act of 2015 (H.R.2835)
- Clay Hunt SAV Act (H.R.203)
- Construction Authorization and Choice Improvement Act (H.R.2496)
- Department of Veterans Affairs Expiring Authorities Act of 2015 (S.2082)
- Gold Star Fathers Act of 2015 (S.136)
- National Guard and Reservist Debt Relief Extension Act of 2015 (H.R.4246)
- Surface Transportation and Health Care Choice Improvement Act of 2015 (H.R.3236)
- Veterans ID Act of 2015 (H.R.91)
- Veterans Entrepreneurship Act of 2015 Act of 2015 (H.R.2499)
- Wounded Warriors Federal Leave Act of 2015 (H.R.313)
- Extend Commission On Care Report Deadline (H.R.4447)

As of 28 MAR, of the 4,889 House and 2,739 Senate bills introduced in the 114th Congress, the ones listed below could in one way or another impact on the veteran community. A good indication on the likelihood of a bill of being forwarded to the House or Senate for passage and subsequently being signed into law by the President is the number of cosponsors who have signed onto the bill. An alternate way for it to become law is if it is added as an addendum to another bill such as the annual National Defense Authorization Act (NDAA) and survives the conference committee assigned to iron out the difference between the House and Senate bills.

To locate a summary of all House/Senate bills and resolutions in numerical order go to <http://beta.congress.gov/search?q=%7B%22source%22%3A%22legislation%22%7D#> and select “Ascending” or “Descending”. This **Congress.gov** site will display up to 500 bills per page (selectable) and each item’s bill number, short title, sponsor and date introduced, number of cosponsors, last major action, and how far it is advanced in the legislation process to become law (i.e. passed House | passed Senate | sent to President | Became law). To see what the original title was (i.e. what the bill is intended to do), complete text, amendments, or related bill numbers click on the bill number.

Congress.gov is the official source for federal legislative information. It replaces the nearly 20-year-old THOMAS.gov site <http://thomas.loc.gov/home/thomas.php> with a system that includes platform mobility, comprehensive information retrieval and user-friendly presentation. It currently includes all data sets available on THOMAS except nominations, treaties and communications. Thomas was supposed to be permanently retired at the end of 2014 but is still being updated and is accessible.
